INTRODUCTION

This directory lists Community First Medicare Advantage Alamo Plan network providers. **For more detailed information about your health care coverage, please see your Evidence of Coverage.**

As a Member of our plan, you must choose one of the network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP.

Your relationship with your PCP is important. Your PCP is responsible for your routine health care needs, coordinates all of your covered services, maintains your medical records, and ensures your continuity of care.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Community First Medicare Advantage Alamo Plan will be responsible for the costs.

In some situations, our plan must give you approval in advance before you can use other providers in the plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. This is called a referral.

Referrals from your PCP are not required for emergency care or urgently needed services. There are also some other kinds of care you can get without approval from your PCP.

In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. For exceptions, please refer to your Evidence of Coverage.

If you have a medical emergency, call 911 or go to the nearest emergency room or hospital.

INTRODUCCIÓN

Este directorio enumera los proveedores de la red del Plan Community First Medicare Advantage Alamo. **Para obtener información más detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura.**

Tendrá que elegir a uno de nuestros proveedores de la red que figuran en la lista de este directorio como su médico de atención primaria (PCP). Por lo general, debe obtener los servicios de atención médica de su PCP.

Su relación con su PCP es importante. Su PCP es responsable de sus necesidades de atención médica de rutina, coordina todos sus servicios cubiertos, mantiene su registro médico y garantiza la continuidad de su atención.

Los proveedores de la red que figuran en este directorio han acordado brindar servicios de atención médica. Usted puede visitar a cualquiera de los proveedores de la red que figuren en el listado de este directorio.

Usted debe utilizar los proveedores de la red, salvo en situaciones de emergencia o atención de urgencia. Si usted recibe atención de rutina de parte de proveedores fuera de la red, ni Medicare ni el Plan Community First Medicare Advantage se harán responsables de los costos.

En la mayoría de los casos, nuestro plan deberá autorizarlo con antelación antes de que acuda a otros proveedores de la red del plan, tales como especialistas, hospitales, centros de atención de enfermería especializada o agencias de atención médica a domicilio. Esto se llama remisión.

Las derivaciones o interconsultas de su PCP no son necesarias para la atención de emergencia o los servicios de urgencia. También hay otros tipos de cuidado que usted puede recibir sin tener la autorización previa de su PCP.

En la mayoría de los casos, no se cubrirá la atención que reciba de un proveedor fuera de la red (un proveedor que no forme parte de la red de nuestro plan). Para entender las excepciones, consulte su Evidencia de cobertura.

En caso de que los proveedores fuera de la red le envíen una factura directamente, llame a nuestro Departamento de Servicios para Miembros para que le ayuden a enviarnos la factura para procesarla y determinar la responsabilidad del afiliado, si corresponde.

Si usted tiene una emergencia médica, llame al 911 o vaya a la sala de emergencias o al hospital más cercano.
